## What is Junior Olympic Volleyball?

White Bear Junior Olympic Volleyball is a positive and challenging environment where girls learn about volleyball, sportsmanship, teamwork, discipline and responsibility. Our goal is to help all participants develop their volleyball skills to become better team players. Junior Olympic Volleyball is a competitive sports organization designed for the development of the young athlete including practices, league games and tournament competition within a team framework. **This is NOT an intramural or a recreational sports league.**

The White Bear Junior Olympic association offers a place for girls, living within the White Bear School District boundaries, to be placed on teams through a try-out process. The teams practice in White Bear at various locations and will play league games at Midwest Volleyball Warehouse in Burnsville. Practices begin in December and play continues through most of April. Fees help to cover the costs of Club registration with the North Country region, uniforms, insurance, coaches, equipment, tournament play, etc.

Check out White Bear Volleyball at [www.whitebearvolleyball.org](http://www.whitebearvolleyball.org).
